FANTASTIC LEARNING

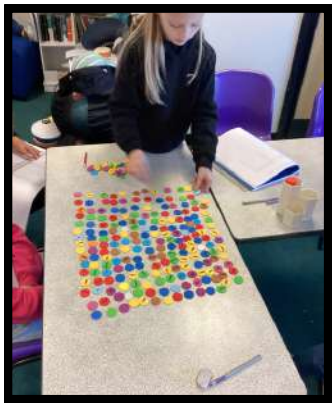

Year 4 are learning how to multiply three digit numbers in their maths. They have also written group poems.

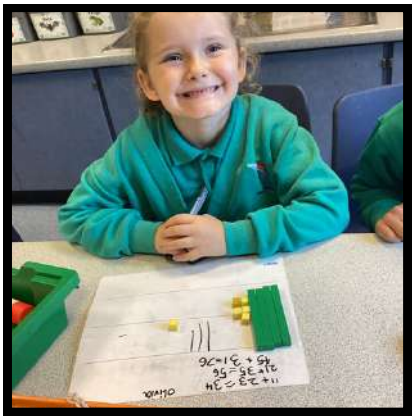

Year 2 have learnt how to add two-digit numbers.

Year 5 explored pop up books and square numbers this week. They also enjoyed the Pudsey Fair.

Well done to the Year 5/6 Pupils that represented the school at the NCFC event.

In PE Year 1 created long shapes on and off the apparatus.
In D and T the children are learning about axles.

Year 6 Pudsey Fair

As part of the Dussindale Discoverers Curriculum- Year 6 planned, prepared and led a fair for the school community to raise funds for a charity. The children showed great resilience, responsibility and respect-delivering an amazing fair. Well done Year 6!

Thank you for your generous donations!
