EYFS Newsletter
Week beginning 25.11.2024

We are all very excited to take the children on their first school trip and enjoy what will be our first Christmas learning activity. December is fast approaching and there are several other events coming up so please do check the diary dates on this newsletter and the main school newsletter.

Maths in everyday play

Below is a maths postcard for ideas parents can use to support children's mathematical development at home. This first one we would like to share with you is focused on the mathematical value of jigsaw puzzles.
